PURPOSE OF THE BILL

The purpose of H.R. 473, as ordered reported, is to provide for the conveyance of approximately 140 acres of land in the Ouachita National Forest in Oklahoma to the Indian Nations Council, Inc., of the Boy Scouts of America.

BACKGROUND AND NEED FOR LEGISLATION

The Indian Nations Council Boy Scout Camp Tom Hale is currently on 480 acres located within the Ouachita National Forest. Since 1963, hundreds of thousands of Boy Scouts have camped at this site. H.R. 473 would direct the Agriculture Secretary to sell 140 acres of federal land adjacent to Camp Hale to the Council. The legislation also requires that the land be appraised in conformity with the Uniform Appraisal Standards for Federal Land Acquisitions and shall be sold for market value. In addition, the Boy Scouts will pay for appraisals, surveys and other administrative costs occurred during the transaction. These additional acres will allow the Boy Scouts to accommodate more campers and allow a larger array of activities at the camp.

COMMITTEE ACTION

H.R. 473 was introduced on January 26, 2011, by Congressman Dan Boren (D-OK). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on National Parks, Forests and Public Lands. On June 14, 2011, the Subcommittee on National Parks, Forests and Public Lands held a hearing on the bill. On July 20, 2011, the Full Resources Committee met to consider the bill. The Subcommittee on National Parks, Forests and Public Lands was discharged by unanimous consent. Congressman Rob Bishop (R-UT) offered an amendment; the amendment was adopted by unanimous consent. The bill, as amended, was ordered favorably reported to the House of Representatives by unanimous consent.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on

Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(1) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(2)(B) of that rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

H.R. 473—HALE Scouts Act

H.R. 473 would require the Secretary of Agriculture to convey, at fair market value, approximately 140 acres of land in the Ouachita National Forest, Oklahoma, to the Indian Nations Council, Inc. (a chartered council of the Boy Scouts of America). Based on information provided by the Forest Service, CBO estimates that implementing the legislation would have no significant impact on the federal budget.

Enacting H.R. 473 would reduce direct spending; therefore, pay-as-you-go procedures apply. Under the bill, proceeds from the sale of the affected land, which CBO estimates would total less than \$300,000, would be deposited in the Treasury as offsetting receipts (a credit against direct spending). Enacting the legislation would not affect revenues. Because the council would be required to pay any administrative costs associated with the conveyance, CBO also estimates that implementing the legislation would not affect spending subject to appropriation.

H.R. 473 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Jeff LaFave. This estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.

2. Section 308(a) of Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures. CBO estimates that implementing the legislation would have no significant impact on the federal budget. Enacting H.R. 473 would reduce direct spending; therefore, pay-as-you-go procedures apply. Under the bill, proceeds from the sale of the affected land, which CBO estimates would total less than \$300,000, would be deposited in the Treasury as offsetting receipts (a credit against direct spending). Enacting the legislation would not affect revenues. CBO also estimates that implementing the legislation would not affect spending subject to appropriation.

3. General Performance Goals and Objectives. This bill does not authorize funding and therefore, clause 3(c)(4) of rule XIII of the Rules of the House of Representatives does not apply.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104-4

This bill contains no unfunded mandates.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW

If enacted, this bill would make no changes in existing law.
